IMPORTANT: PLEASE READ**IMPORTANT SAFETY FEATURES****DIMMER SWITCH COMPATIBILITY**

This fixture is not dimmer-switch compatible.

WARNING

All wires are connected. When unpacking, be careful not to pull wires, as damage may result. Do not connect electricity until the fixture is fully assembled. To reduce the risk of fire, electrical shock, or personal injury, always turn off the fixture and allow it to cool prior to replacing the LED. Do not touch or look directly at the LED bulb when the fixture is illuminated. Keep flammable materials away from lit LED.

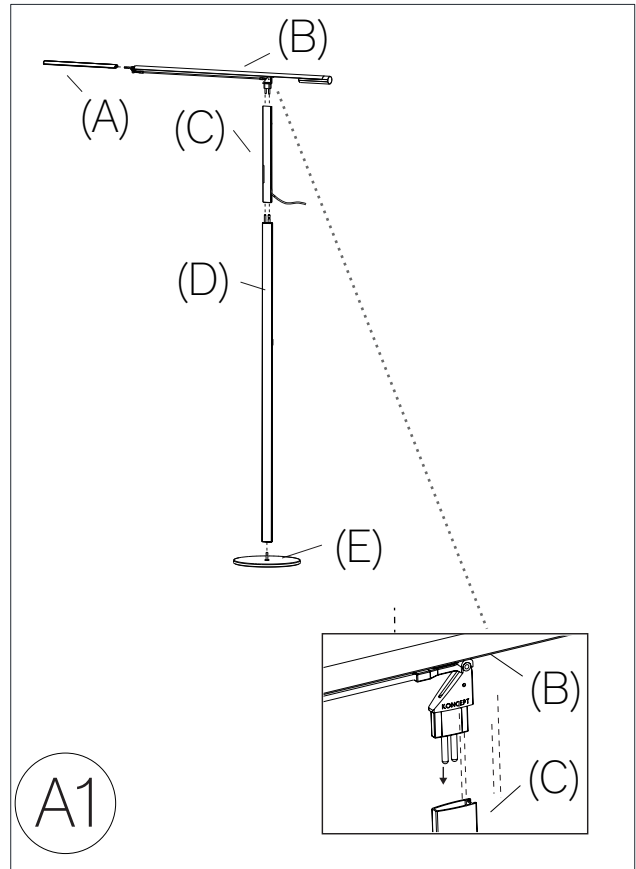

WARNING: STRANGULATION HAZARD

Keep cord at least 3 feet away from cribs, bassinets, and toddler beds. Keep out of reach of children under 3 years of age.

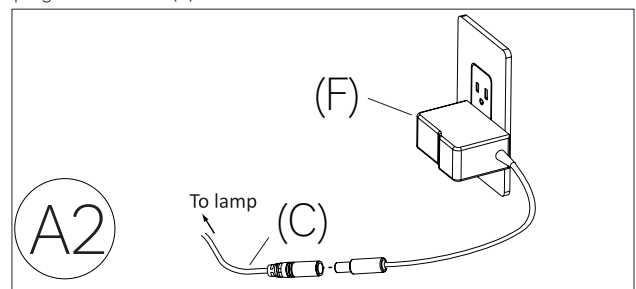

THIS PRODUCT IS NOT A TOY AND HAS NO PLAY VALUE.

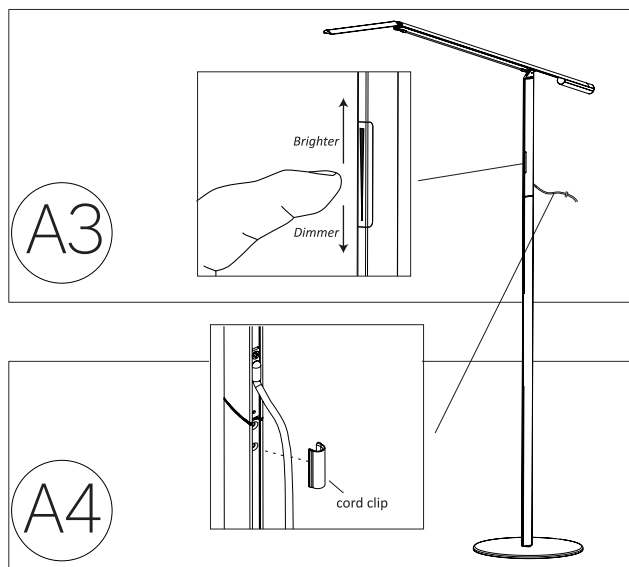

ASSEMBLY AND INSTALLATION**SHUT OFF THE MAIN ELECTRICAL SUPPLY FROM THE FUSE BOX OR CIRCUIT BREAKER PANEL.**

1. Push LED Head (A) into Floating Arm (B), then push Floating Arm (B) into Upper Body (C). Push Upper Body (C) into Lower Body (D), and Lower Body (D) into Lamp Base (E)

2. Plug Transformer (F) cord into Upper Body (C) cord, and plug Transformer (E) into an outlet.

3. Use the touch strip on Upper Body (C) to control brightness and power.

4. Route the cord through the cord channel at the back of Lower Body (D). Secure it with the provided Cord Clips (G): Insert one side of Cord Clip (G) over the cord and into the channel, then squeeze it so that the other side fits in snugly. Use as many Cord Clips (G) as necessary to keep the cord flush against the lamp body.

CARE INSTRUCTIONS

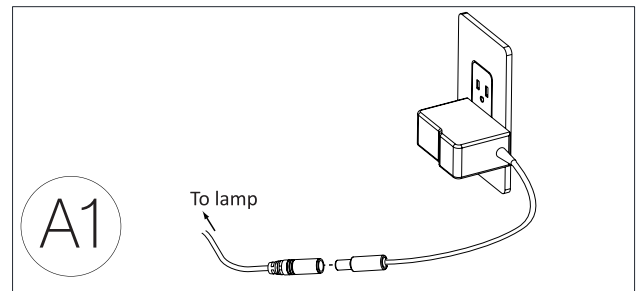

Do not use polishes or cleaners on the fixture.

Wipe clean with a soft, dry cloth.

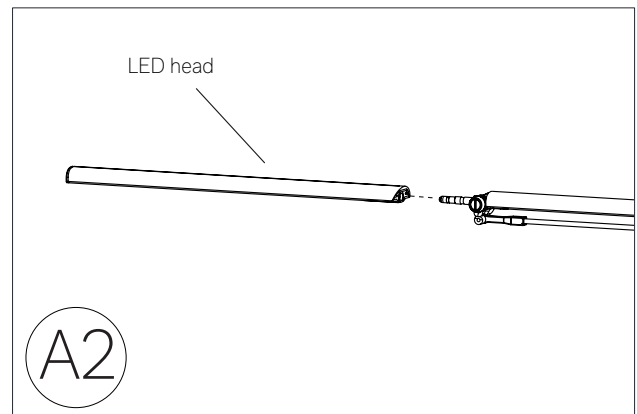

LED HEAD REPLACEMENT INSTRUCTIONS

PLEASE NOTE THAT THE LED REPLACEMENT MUST ONLY BE PERFORMED BY A LICENSED ELECTRICIAN

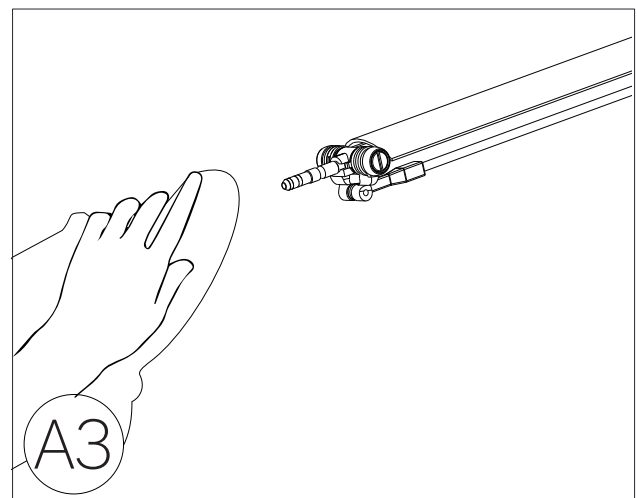

1. Unplug the transformer cord from the upper body cord. Unplug the transformer from the outlet.

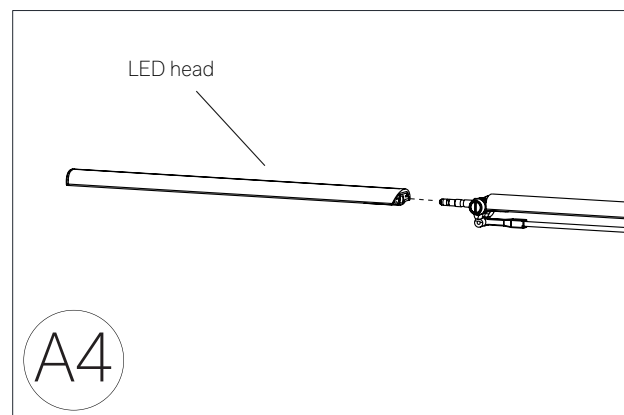

2. Then unplug the LED head from the lamp body.

3. Using an alcohol wipe, clean and air-dry the connection prong.

4. After it fully dries, plug the replacement LED head to the lamp body.

5. Lastly, plug the transformer cord into the upper body cord, and plug the transformer to an outlet.
